

Making Connections Program

HOW IT WORKS: Each month we will hand deliver a Making Connections bag to new homeowners filled with your promotional items. Here's the best part: You will receive the list of names and addresses of the homes that we delivered to so that you can continue reaching these homeowners through your own marketing efforts.

TO PARTICIPATE:

- Participate **one full year (12 months) \$500**. You supply 800 promotional pieces.
- Participate **6 months, \$300**. You supply 400 promotional pieces.
- Participate **3 months \$150**. You supply 140 promotional pieces.

We collate into the bags each month and deliver to the homeowners. Be creative. For most recipients this will be their first introduction to your business!

Promotional materials must be in the Chamber office **before the last Monday of the month**.
