

Sponsorship Opportunities & Benefits

Why Sponsor?

The EBYP provides opportunities to young professionals that help foster successful business leaders. By contributing to this program of the East Bay Chamber of Commerce, you are making an investment in the rising leaders of the East Bay region's business community. Your sponsorship will support the following:

- Professional development programs and resources for young professionals
- Continuation of the EBYP's community outreach programs
- Gain access to the region's top-tier talent
- Minimize costs for programs and events, allowing group participants to attend often
